

HYPERBOREA

Cold and heartless, Hyperborea is ruled by grim, gaunt, albino nobles and by the sorcerously powerful witch-women. Safe within their high stone keeps on the snowy Hyperborean plain, the Hyperboreans wield power far beyond their meager resources and small army. Fortress of arcane power in the North, Hyperborea is a spiteful foe to Aquilonia and quite possibly the most dangerous Kingdom of the Hyborian Age.

Road of Kings is the largest gathering of Hyborian War players on the Internet.

IMPERIAL CONQUEST IN THE AGE OF CONAN

Each Hyborian War game represents in essence an "alternate history" of the Hyborian Age. In each game, the history of the world will be different -- the events which make up history will be decided by the actions of the players.
